

## Stewkley Green formed

Thank you for publishing my letter in the April edition; 24 people responded, and 13 met this week. We shared ideas and aspirations and found that we have a diverse set of skills and a wide range of knowledge. It was agreed that there are 3 main topics to address in the next 3 months; these are a) to prepare a base line survey, so that we know where we are starting from, and can determine future success. b) Raise awareness of how people can benefit and help. c) Promote the “Easy Wins” for Stewkley residents. Groups were formed to champion these, and each group will meet before the whole group meets again on Wednesday evening 7<sup>th</sup> May. If you would like to join any of these groups please contact me. We hope to have more information on the village website in May [www.stewkley.org](http://www.stewkley.org) including [last month's article](#).

Every house hold is entitled to an insulation grant if they don't have at least 3 inches of loft insulation or cavity wall insulation: for some people and all those over 70 this is 100%, more info from [www.mkea.org.uk](http://www.mkea.org.uk) 0800 512 012, or 0800 80 48 777.

Beaufort Court, Renewable Energy Systems (RES) in Kings Langley has an open day on Saturday 14 June; an ideal low cost family outing for those interested in sustainable technology. More info and to book places at
